

HAND CLEANER YELLOW

Solvent-Free

HAND CLEANER YELLOW is a premium quality solvent-free hand cleaning paste with a fresh citrus scent, which is specially developed for removing extremely stubborn industrial soiling. It's unique product formulation easily removes soils such as lubricants, greases, paint, varnish, ink, tar and adhesives.

HAND CLEANER YELLOW cleans, protects and moisturizes the skin, so it keeps your hands soft and free from irritation.

HAND CLEANER YELLOW is dermatologically tested, pH neutral and biodegradable.

HAND CLEANER YELLOW must be stored in a cool but frost-free place and also well closed. We advise to make use of a dispenser pump.

Directions for use: Rub a small amount of **HAND CLEANER YELLOW** onto the hands until dirt loosens, referably with the use of a dispenser pump. Rinse off with water or wipe off with a towel. Dry hands thoroughly.
